### SELF ASSESSMENT PACK FOR REVISION

Dear Parents,  
Assalam o Alaikum!

On the mid-night of Thursday, 26th, February, 2020, Government of Sindh, suddenly announced closure of all schools when the first patient of Covid-19 was tested positive. The schools have been closed ever since. It has been over three months since students remain in their homes, and are partially or completely disconnected from academic studies.

As HPGS resumes its education digitally, we would like our students to revise important aspects of studies that were conducted in the year 2019/20. As you know, final examinations have been cancelled; and **all students have been promoted**. Enclosed with this circular is a self assessment revision pack designed to help students bridge learning gaps and revise important concepts. This revision pack will also help the students to prepare for the next academic session 2020/21, so that they transit smoothly in their next class.
